244 WEST 49TH STREET
NEW YORK 19, N. Y.

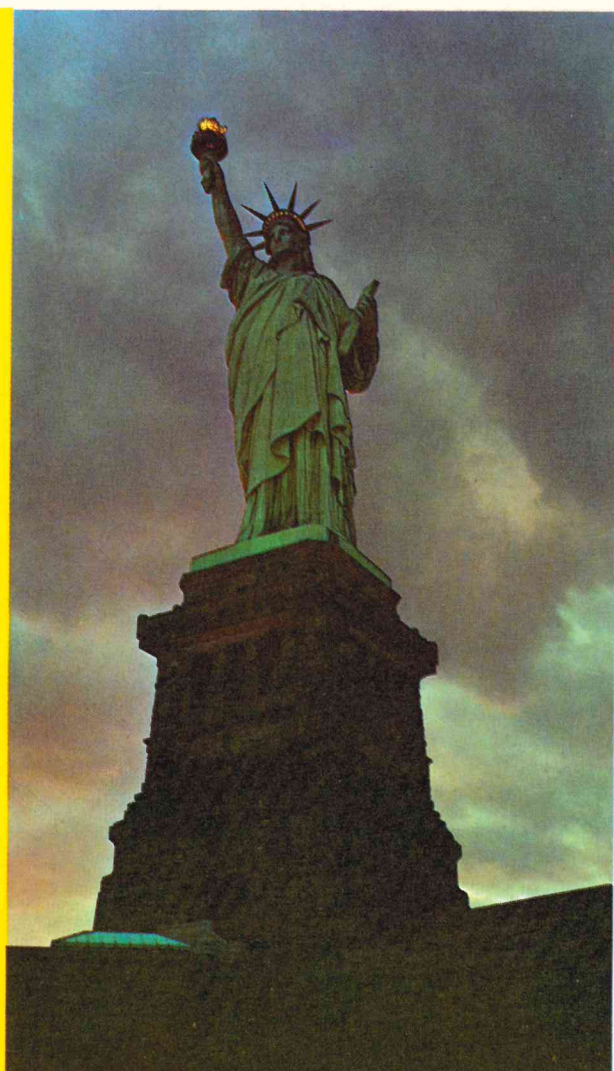

THE STATUE OF LIBERTY was designed by Frederic Bartholdi as a symbol of Franco-American friendship. Located on Liberty Island in New York Harbor about a mile and a half southwest of the Battery.

THE EMPIRE STATE BUILDING AT NIGHT
piercing the twilight of the sky over the myriad colored
lights of New York.

THE STATUE OF LIBERTY, conceived and designed as a gesture of international friendship, has become the symbol of the ideals of human liberty upon which this country was founded.

What to see •

The city is divided into four geographical areas. Each section is vibrant and alive with its own distinctive charm, inviting the visitor to look and see.
